

Mammoth Masters Team 2011

This will be the 13th season for the Mammoth Masters Team. It is the top notch competition program for USSA masters racers, FWRA club & league competitors in the nation. Geared towards the serious racer, training includes gate drills, training courses, video analysis, race preparation with timed training runs and inspection practice, skiing drills and free skiing.

Our professional coaching staff is very experienced and is using the latest world cup techniques and training equipment to get our athletes on their way to a winning season.

Season long program \$ 1'995 through October 31, \$ 2'200 after October 31

Thursday - Sunday 9:30 - 1:30 daily

The program starts Saturday, November 20, 2010 and ends Sunday, April 17, 2011.

- A certain level of ability and competency will be required.
- Team size will be limited.

Newcomers to the program enter on a trial basis and are required to participate one of the two first scheduled weekends to determine their level of ability and competency for acceptance into the full program.

The Masters Race Camp is scheduled from Monday, November 29 through Friday December 3, 2010. The daily training fee for the camp is \$ 60, however Thursday and Friday are covered by the annual team fee.
