

Masters Team 2026 Program Information

Cheers to this 28th season of Mammoth Mountain hosting the Masters Team program.

The Mammoth Masters Team is the top-notch competition program for US Ski & Snowboard Masters racers, FWRA club, and league competitors in the nation. Geared towards the serious alpine ski racer, our Masters' Team program includes gate drills, training courses, video analysis, race preparation with timed training runs and inspection practice, skiing drills and free skiing. Our honorary coaching staff includes Head Masters Coach Pierre Jeangirard and Assistant Masters Coach Amie Lonza. Train the latest world cup techniques and enjoy the many rewarding moments of alpine ski racing.
