

Far West Masters Ski Racing

2026-2027 Race Schedule

The tentative schedule for the 2026-2027 Far West Masters division series has been put together by scheduling director Mike Braun, working with our race organizers around the Far West division. Scheduling our races is an increasingly challenging task and Mike works extremely hard to assemble the best possible balance of quality events in all disciplines.

NOTE: *This is our preliminary season schedule and there may be final adjustments as we confirm commitments with our organizing areas.*

The 2027 Masters National Championships are scheduled at Alyeska, AK on Mar. 21-27. Alyeska is hosting a 4-event national championship with DH, SG, GS, and SL.

The FIS Masters World Cup races at Big Sky MT on Apr. 7-10 are the season finals for the FIS Masters World Cup series. (this is a big deal!) The Canadian FIS Masters World Cup event is the preceding week on Apr. 2-5 at Nakiska, AB, so for those with the opportunity to travel can consider a 3-week block in the western US and Canada to hit Alyeska, Nakiska, and Big Sky!
