Mammoth Lakes, CA 93546

Re: Contribution in Remembrance of Andrea Mead Lawrence.

Ladies and Gentlemen:

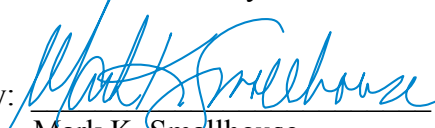

Enclosed please find a check in the amount of \$100 as being paid by the Far West Masters in remembrance of Andrea Mead Lawrence. Ms. Lawrence and her family were long-time supporters of ski racing in the Mammoth Area, and Ms. Lawrence's continuing designation as being the only American Alpine ski racer to have won two gold medals is a tribute to her racing legend.

Ms. Lawrence's contributions to Central California in her capacity as a Mono County Commissioner and the preservation of mountains and rivers by ALIMAR have gone a long way towards preserving the natural and scenic beauty of the Eastern Sierras.

While we mourn Ms. Lawrence's passing, we are encouraged by the fact that our gift will help preserve and carry on her legacy.

Very truly yours,

New Venture Attorneys
